Enclosed Reel Accessories

2230-001 - End Panels

Includes two panels.

2230-002 - Mounting Bracket

Mounting Bracket Kit: Attaches channel to facility mounting structure. Use two bracket kits for 2, 3 or 4 reels. Use 3 brackets for 5 or 6 reels.

Mounting Channels

For 1- to 6-Reel Banks: Use selection table shown below.

Model	No. of Reels	Dimensions
2230-003	one	7 3/4" x 9 3/4"
2230-004	two	7 3/4" x 19 1/2"
2230-005	three	7 3/4" x 29 1/4"
2230-006	four	7 3/4" x 39"
2230-007	five	7 3/4" x 48 3/4"
2230-008	six	7 3/4" x 58 1/2"

Tank Saddle for Hose Reels

4520-006

4520-007

Use our exclusive saddle bracket, Model 4520-006, to quickly attach Balcrank hose reels to any 275 gallon oval or 550 gallon cylindrical tank. One step attachment, no welding or tank rework required. Order separate vent kit, Model 4520-007, to attach saddle to standard oval tanks at the vent cap location. Reference SB4013

Mounting Plates

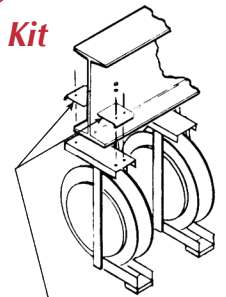

2230-017 - Signature™ Mounting Plate Kit

This specially configured mounting plate kit was designed to facilitate simple, one person field installation of Signature™ Series Hose Reels to structural beams.

2230-013 - Premium Series Mounting Plate Kit

Attaches single Premium Series reels directly to structural beams with 4-1/2" to 6-1/2" flange widths. Model 2230-013 may be used to mount Premium Series reels to Balcrank hose reel mounting channels. (NOTE: Not to be used with Premium Extra Volume Hose Reels)

2230-013 mounting bracket pair

2230-014 - Signature/Premium Mounting Plate

Simplified system for using open hose reels with a Balcrank mounting channel. One person installation is made easy, as this lighter weight plate is bolted to the mounting channel, providing a plug & stay mounting of Signature or Premium open reels.
